

## AMLIN PLUS FOAL LIFE SAVING SURGERY EXTENSION

The insurance provided by the policy extends to reimburse reasonable and customary fees for **General Anaesthetic surgical procedures as listed below**: performed to **save the life** of an insured animal as specified in the policy schedule.

Surgery procedures covered:

- a) **emergency colic surgery**
- b) **emergency fracture repair**

Also to pay for reasonable and customary after-care while the Insured animal is kept on the premises where the surgery is performed.

After-care is limited to:

1. 50% of the cost of surgery and
2. No more than fifteen days from the time of surgery

The combined limit of liability for covered surgery and after-care is **£5,000** per animal per policy year.

Deductible **£150** shall be applied to each separate claim during the policy year.

### CONDITIONS:-

It is a condition precedent to liability that the Insured shall provide to the Company within thirty days after surgery:-

1. A report signed by the treating veterinarian describing the surgery performed and describing the animal's condition and:
2. Copies of all service bills for which the claim is made.

This endorsement does not provide insurance for:-

1. Any surgery not listed in this wording
2. Any surgery not performed by a licensed veterinarian in a
  - a) school of veterinary medicine or
  - b) surgical clinic or
3. Conditions existing, diagnosed or treated prior to the effective date of this endorsement or reoccurrence thereof or
4. Any examination, medical treatment or medication unless it is given in conjunction to the Insured surgical procedure being claimed or
5. Operations not performed under a general anaesthesia or
6. Any elective or voluntary surgical procedure or
7. Death benefits or
8. Post-mortem surgical operations
9. Any animal under 24 hours

Subject otherwise to the terms and conditions and limitations contain in the Policy.
